CHAIRMAN MESSAGE

Dear children, educators and parents,

How happy we feel while giving this booklet of Grand Finale Results in your hands? It is a pleasure to be a part of collective creative journey of so many budding artists, and we at Kokuyo Camlin enjoy each moment of it. Thanks for being a part of this world's greatest celebration of child art.

The big theme of the contest this year is being 'change' and 'inclusive'. It has become inclusive in more senses than one. To begin with the name of the contest has been changed from the All India Camel Colour Contest to the Camel Art Contest to make it open to the students of the world. Also in order to open it to all the places, big and small, we have created an exclusive website where schools can register and participate. Similarly the website also facilitated the participation of the children, who want to participate but his school does not.

All these efforts were richly rewarded when the participation reached 64 lakhs from 8000 schools. Participation for the children who registered on website, was facilitated at the 80 stores of Crossword. We thank the parents, educators and the team Crossword for their kind support. It is the support of these friends, that has lead us to such a memorable success.

This year Camel Art Contest has also made significant changes in the prizes & rewards. Introduction of medals at primary level has not only democratized the contest but have also added timeless value to this first achievement of many children. Similarly trophy at the Zonal level has also added charm. However the Grand - Prize Grand - Gift is the big thing. All 6 first prize winners at the Grand Finale would be able to gift art infrastructure worth Rs. 50,000/- to their alma-mater. Schools would be able to purchase and install much needed art infrastructure like easels, display panels, or any other item of their choice, improving art facility in the school. The winner would be immortalized by the dedication engraved on such facilities. We would be happy that finally there is some development of art facilities in the schools.

Emboldened by the experience, we plan to arrange circulating exhibition of Camel Art Contest across the country. Please do let us know if you wish to hold this visual feast for your students.

Thanking you once again, we urge and hope you would be with us for Camel Art Contest - 2016.

Let's have fun.

Dilip Dandekar
Chairman and Executive Director
